Location

[How to use Skyliner Ticket]

Please ensure to exchange the voucher for the physical Skyliner express reserved seat ticket at the exchange locations below before boarding the train.

*Outward ticket (from the airport to Tokyo downtown) can only be exchanged at the airport, while the return ticket (from Tokyo downtown to the airport) can only be exchanged at Ueno and Nippori Station.

Please make sure to exchange your tickets at Narita Airport before your departure.

- For the outbound journey, you will receive a boarding ticket for your outbound journey and an exchange ticket for your return journey.

- For your return journey, please exchange your return ticket for a timed ticket at the counter or ticket vending machine located in Ueno or Nippori before boarding.

*Possible exchange locations are limited as below.

Exchange Locations:

1. For passengers traveling on the Skyliner bound for Narita Airport, voucher redemption is available at the following locations:

- Keisei Ueno Station: You can use the Skyliner ticket vending machine or Skyliner ticket sales counter.

*The Skyliner ticket sales counter is open from 5:10 AM to 8:20 PM.

- Nippori Station: You can use the Skyliner ticket vending machine or visit the JR Connection Counter.

*The JR Connection Counter is open from 5:00 AM to 11:30 PM.

2. For those utilizing the Keisei Ueno-bound Skyliner service, voucher exchange can be conducted at:

- Narita Airport Station (Narita Terminal 1): You can use the Skyliner ticket vending machine or visit the Skyliner information counter.

*The Skyliner information counter is open from 7:00 AM to 9:00 PM.

- Airport Terminal 2 Station (Narita Terminals 2 & 3): You can use the Skyliner ticket vending machine or visit the Skyliner information counter.

*The Skyliner information counter is open from 7:00 AM to 9:00 PM.

*Please note that this voucher cannot be exchanged at Aoto Station or Shin-Kamagaya Station.

Please take note of the following information regarding your tickets:

- If you have round-trip tickets, you will receive both th

e outbound ticket (boarding ticket) and return ticket (exchange ticket) upon issuance at Narita Airport. Please be aware that tickets cannot be issued at Ueno or Nippori.

- You must keep your return ticket safe and not lose it.
- Your return ticket expiry date is 6 months from your outbound ticket issuance date.
- It is possible to exchange outbound and return tickets separately, even if purchased together. You are not required to redeem all tickets at the same time.

Skyliner Timetable:

<https://www.keisei.co.jp/keisei/tetudou/skyliner/us/traffic/skyliner.php>

[How to use the Tokyo Subway Ticket]

Please collect a physical ticket on ticket vending machines in Tokyo Metro/Toei Metro Subway stations.

*Please check the attached file for the exchange locations and method.

*You can also collect a paper ticket at the offices of each Tokyo Metro station (excluding Hibiya Line Kitasenju, Nakameguro, Nakano, Nishifunabashi, Yoyogi Uehara, Wako City, Hanzomon Line / Fukutoshin Line Shibuya and Meguro stations).

*If there is no ticket vending machine at your departure station, please ask the station staff and you will be guided to a station where there is a ticket vending machine to collect the physical ticket.

*Please note that we do not offer partial exchanges of ti

ckets. Each purchase will have a unique QR code, even if multiple tickets are bought. When you scan the QR code on the Tokyo Metro or Toei Subway, all the tickets you purchase will be exchanged and valid starting from the day of exchange.

Inclusion

Skyliner Round-trip Ticket & Tokyo Subway 48-hour Ticket

Restrictions

- This ticket cannot be resold. A resold ticket will be invalid.
- Cannot use for Keisei Morningliner, Eveningliner, or Cityliner.

Required items to bring & attire

- Voucher with a QR code
*Please note that the QR code to collect the Skyliner Round-trip Ticket and the QR code to collect the Tokyo Subway Ticket are separate. Please present the voucher at each location accordingly.

Requirements

- At the time of collecting a paper ticket, you will need a “QR code” issued after the reservation is completed. Please bring a device that can display the “QR code” or print out the “QR code”.
*If you are unable to present the “QR code”, you may not use the voucher."

Other info

- The expiration date of the voucher:
[Skyliner Round-trip Ticket]
The paper ticket can be collected within 6 months from the date of purchase.

[Tokyo Subway Ticket]
The paper ticket can be collected within 12 months from the date of purchase.
*The exchanged ticket will be valid for 6 months from the exchange date.
*The valid time will be printed on the ticket when you start using it to pass a ticket gate.
*If you enter the station and board the train within the valid time, you can still leave the station even if the valid time is passed.
*If the ticket is not used by the expiration date printed on it, it will become invalid.
*If the exchanged ticket cannot be used at the automated ticket gates, please inform a station attendant. After

verification, a new ticket will be issued.

*If the magnetic field on your Tokyo Subway Ticket becomes damaged or weakened, it may not be usable at automatic ticket gates. Please avoid placing the ticket near objects that emit strong magnetic fields (such as smartphones, home appliances, magnetic fasteners on wallets, etc.).

Cancellation policy

- This ticket cannot be changed or canceled.
- *If there are problems with the facilities, the admission may be suspended.
